

Diva & Hi School Musical & Dance Parties !

If you find your son or daughter enjoy dancing to their favorite shows. Well then our parties are for you! Our trained musical theatre actors are ready to sing songs, teach fun and easy dances, and prepare all the kids for the big birthday show. Your child's favorite character will lead all the guests in a rockin' fun time, utilizing our director, Lisa Cohen's thirty years of experience as a dance and drama teacher, as a guide for games and activities. Such fun dances and freeze dance with "elbow friends" lead to great photos, choreography games, limbo and more. All the dance games can be adapted to any character, style or favorite theme.
